

Instructions

1. Fill out the form on page 2.
2. Send the form and your wheel(s) to:

The Wheel Warehouse Inc.
4600 Gateway Cir.
Dayton, OH 45440

3. Once the wheels are received and evaluated by our staff you will be contacted with pricing, timeline and other information.
4. Once the requested service is performed the wheel(s) are sent back to you via UPS ground service.

Notice

- *Bearings must be sent with motorcycle wheels or processing and service of your wheel will be delayed.*
- *Do not send rotors in with your wheel. The Wheel Warehouse will not be held responsible for rotors sent with your wheel.*
- *Company policy requires payment in full before any wheel repair work starts.*
- *The Wheel Warehouse is not responsible for chroming delays as all chroming is done through a third party partner. Chroming typically takes one month but can take longer.*
- *Repairs can be completed within 24 hours of receipt by utilizing our Expedited Wheel Repair Service at additional charge. Call 1-800-941-6400 for more information.*
